

[Cara Crack Ips 4.0](#)

The screenshot shows the iPos 4.0 software interface. At the top, the title bar reads "Menu Utama - iPos 4.0.2.9, User : ADMIN, Lokasi : UTM, Host : localhost, Database : Indosoft". The main menu includes "Master Data", "Pembelian", "Penjualan", "Konsinyasi", "Persediaan", "Akuntansi", "Proses Data", "Laporan", and "Pengaturan". A central dialog box titled "AKTIVASI PROGRAM" provides instructions for activation. It lists four steps: 1. Enter the serial number "DCDWMSGP" (marked with a green checkmark), 2. Click the "Proses" button, 3. Enter the activation code (partially obscured by a red box), and 4. Click the "Proses" button. A smaller "iPos 4.0 - Program Toko Pro" dialog box displays the message "Terima Kasih, Saat ini program sudah aktif." with an "OK" button. In the background, a "KeyGen" window shows the serial number "DCDWMSGP" and the SMS code "REG PKP4.DCDW.MSGP.UFHE.NBMD". At the bottom, a navigation bar contains icons for "Daftar Item", "Pembelian", "Penjualan", and "Proses Rekap".
